WEBINARS FOR WOMEN IN ENGINEERING AND TECHNOLOGY FALL 2020

REGISTER FOR
THE UPCOMING WEBINAR

The Advancing Women in Engineering and Technology Project is launching another set of webinars to support women in engineering and technology. Each webinar will address an important topic and there will be opportunities to discuss openly, problem solve together and learn new tools to help women navigate the engineering and technology landscape effectively.

Our project webinars are always **free**.

If you are unable to attend, recordings will be available on our website: womenintech.ca/webinars/
